FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

**DIRECTORS' REPORT
FOR THE YEAR ENDED 30 JUNE 2022**

The Directors of School for Life Foundation Australia Limited (the "Entity") present this Report together with the financial statements of the Entity for the year ended 30 June 2022, and the Independent Audit Report thereon.

Review of Operations

The Entity recorded a net surplus of \$1,159,799 for the year ended 30 June 2022, an increase of 11.4% from the net surplus recorded in FY2021 (\$1,040,924). FY2022 total revenue of \$3,904,571 represented a 2.6% reduction on FY2021 (\$4,009,321), largely reflecting a reduction in Government assistance payments, as core fundraising income showed a modest increase over FY2021. Key fundraising highlights from the year included:

- A record result from our annual Gala Ball held at The Star; and
- Our first Giving Day one day appeal held in November 2021 was strongly supported by our loyal donors.

FY2022 total expenditure of \$2,744,773 represented a 7.5% reduction on FY2021 (\$2,968,397), largely driven by a reduction in funds sent to Uganda due to relatively lower levels of construction activity and spend in FY2022 compared to the prior year.

Directors' Details

The following persons were directors of the Entity at the date of this report:

Name	Particulars
Ms Adrienne Revai Chairperson Non-Executive Director <i>(appointed Chairperson on 29 March 2022)</i>	Adrienne worked as a lawyer before moving into the corporate sector where she has held legal, risk and commercial executive roles in Australia, Asia and the US. Most recently, she was the Chief Operating Officer for JLL Australia, a global real estate services firm. Adrienne is currently an Independent Member of a Trustee Governance Committee and also holds other non-executive directorships in the commercial and for purpose space. She is a Graduate member of the Australian Institute of Company Directors and a member of Chief Executive Women.
Mr Simon Goff Non-Executive Director <i>(Acting Chairperson from 1 July 2021 to 29 March 2022)</i>	Simon is the Global Managing Director for Purpose, a leading international social impact agency and campaigning organisation that collaborates with philanthropy, non-profits, businesses and activists to build and support movements for an open, just, and habitable world. Prior to Purpose, Simon spent over a decade working at the intersection of media and social change.
Ms Annabelle Chauncy OAM Executive Director (and Chief Executive Officer)	Annabelle is the Chief Executive Officer and was a Co-Founder of School for Life. Annabelle has devoted her adult life to executing her vision of delivering quality education to underprivileged children in Africa. Annabelle's passions lie in developing and implementing strategy, governance, business development, fundraising and speaking to promote the work of School for Life

Re-election of Directors

At the 2021 Annual General Meeting held in December 2021, the following directors were re-elected to the Board of the Entity following their retirement in accordance with the Entity's Constitution:

- Ms Annabelle Chauncy OAM;
- Mr Stephen Burcher; and
- Mr Michael Muehlheim.

**DIRECTORS' REPORT
FOR THE YEAR ENDED 30 JUNE 2022**

Further, the following Directors who were appointed to fill casual vacancies during the FY2022 year and retired at the 2021 Annual General Meeting in accordance with the Entity's Constitution, were re-elected to the Board:

- Ms Adrienne Revai; and
- Ms Zoë Robinson.

Company Secretary

Mr Darren Thompson is the Entity's Chief Operating Officer and Company Secretary. Darren has a background in corporate strategy and development, investment banking and accounting, and has a degree and post-graduate qualifications in accounting and finance.

Principal Activities

During the year, the principal activities of the Entity were fundraising activities associated with the funding of School for Life's operations in Uganda, carried out by School for Life Foundation Limited ("SFL Uganda"). Through SFL Uganda, the Entity provides education, healthcare, community outreach and vocational training services to the students and communities of Mpigi district in Uganda. SFL Uganda operates two primary schools and one high school in Uganda, educating over 1,300 students and employing over 100 Ugandans in its operations.

While there have been no significant changes in the nature of these activities during the year, 2022 saw the re-opening of schools in Uganda following the widespread school closures associated with the COVID-19 pandemic throughout 2020 and 2021. The commencement of the 2022 school year in Uganda saw the opening of our boys boarding facility at Mbazzi Riverside High School. Our high school is now a fully-boarded facility, providing focused learning and extracurricular opportunities to 350 boys and girls from local communities and further afield.

Strategic Vision and Objectives

School for Life's vision is to educate poverty out of existence. We aim to do this by empowering developing communities to become sustainable through quality education and related community activities. School for Life's strategy is based around five pillars:

1. **Sustainability and Scalability of the School for Life Model** – to establish a model to deliver education and related services in developing communities which is efficient, effective and self-sustaining and able to be replicated in communities beyond Uganda
2. **Quality Education** – we provide education to children in developing communities which optimises their capabilities and equips them to live as productive and independent adults in their communities.
3. **Organisational Financial Sustainability** – to establish a financial base for the organisation which secures its ongoing existence
4. **Organisational Structure and Governance** – to establish structures, systems, policies and procedures to support efficient, effective and compliant operations at the board and management levels in both Australia and Uganda; and
5. **People** – to support and build the capacity of our people, and to develop outstanding leaders.

FOR THE YEAR ENDED 30 JUNE 2022

Strategy for Achieving our Objectives

The Entity's strategy for achieving our objectives consists of several key factors, including:

- Focusing on a model of local empowerment, which assists us in developing and maintaining strong relationships with our communities and stakeholders in Uganda, which are essential for the success of our ongoing operations. All of our staff in Uganda are locals, which assists us in ensuring strong alignment with local stakeholders, and ensures our in-country workforce remain committed with visible career advancement opportunities.
- Ensuring high levels of engagement with our donors and supporters, whose support is central to our ability to deliver on our vision and strategic objectives. We provide regular, informative and impactful communications with our donors and supporters to keep them updated on the significant impact that their support is having on the lives and futures of those in our supported communities.
- Attracting and retaining a passionate, engaged and high-performing workforce is critical to the success of our operations. We undertake regular training and professional development activities to ensure strong alignment of our staff's objectives and purpose with those of the Entity and we seek to provide a challenging, stimulating and rewarding work environment.
- Harnessing and leveraging the passion and enthusiasm of a range of regular volunteers assists us to achieve our objectives. Volunteers assist in the areas of event management, administration and certain fundraising tasks.
- Developing and implementing high-quality governance and operational frameworks is a key priority to delivering our operational and program goals, and ensuring that donor and supporter funds are used in the most efficient and effective manner possible.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Apart from where mentioned, no accounting standard has been adopted earlier than the application date as stated in the standard.

(a) Revenue recognition

Upon the receipt of revenue, it is first determined whether the transaction is a contract with a customer under AASB 15, i.e. is there an enforceable contract and are there sufficiently specific performance obligations to be met. If the conditions of AASB 15 are met, then the revenue is capitalised until the contract is completed and then recognised as revenue in the Statement of Profit or Loss and Other Comprehensive Income. If either of these criteria are not satisfied, then revenue is recognised under AASB 1058.

Revenues under AASB 1058 are recognised as revenue received in the Statement of Profit or Loss and Other Comprehensive Income when SFLF gains control, economic benefits are probable and the amount received can be measured reliably. Revenue is recognised at the time of receipt, at the fair value for the consideration received or receivable.

Revenue is recognised for the major activities as follows:

Sponsorships and Regular Giving

Revenues through Child Sponsorship, Teacher Sponsorship and Regular Giving of a nominated amount, are unconditional transfers of cash recognised in the period received. These may be monthly, quarterly or annual payments. This revenue is recognised at the time of receipt.

Donations and Major Gifts

Donations and major gifts are recognised as revenue received in the Statement of Profit or Loss and Other Comprehensive Income when SFLF gains control, economic benefits are probable and the amount received can be measured reliably. This revenue is recognised at the time of receipt.

Giving Day

Receipts from Giving Day are recognised as revenue received in the Statement of Profit or Loss and Other Comprehensive Income when SFLF gains control, economic benefits are probable and the amount received can be measured reliably. This revenue is recognised at the time of receipt.

Gala Ball

The SFLF Annual Gala Ball is a major fundraiser that incorporates a Live Auction, Silent Auction and Raffles to raise unconditional revenue. Partnerships and tickets are also sources of revenue for the event. All revenue is recognised at the time of receipt.

Grants

Grants are assessed to determine if they are subject to treatment under Standard AASB 15 or AASB 1058. Under AASB 1058 the grant is further assessed to determine if a Termination for Convenience clause is included, if so then the grant is initially recorded as a liability in The Statement of Financial performance.

FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Donations-in-Kind

Goods and services donated are included at their fair value to the company where this can be quantified and a third party is bearing the cost. These goods are subsequently used in activities such as being auctioned at our Gala Ball fundraiser or as raffle prizes. This revenue is recognised at the time of receipt.

Volunteers

SFLF regularly receives volunteer services as part of its operations. Volunteers assist SFLF on administrative tasks, with event management services (e.g. at our Gala Ball) and with certain fundraising activities (e.g. grant applications). Under AASB 1058, private sector not-for-profit entities have a policy option to account for donated services at fair value if the fair value can be reliably measured. It has been decided to adopt the policy option not to recognise volunteer services. Accordingly, no amounts are recognised in the financial statements for volunteer services.

Investment Income

Investment income is recognised in the Statement of Profit or Loss and Other Comprehensive Income as it accrues using the effective interest method.

(b) Operating expenses

Operating expenses, except for leases, are recognised in the Statement of Profit or Loss and Other Comprehensive Income upon utilisation of the service or at the date of their origin. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Leases

For any new contracts entered into, SFLF considers whether a contract is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. To apply this definition, the SFLF uses the definition of a lease in AASB 16.

At lease commencement date, SFLF recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the SFLF, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date, net of any incentives received.

The right-of-use asset is depreciated on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The SFLF also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, SFLF measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

On the statement of financial position, right-of-use assets have been included in non-current assets, and current assets where lease term is within 12 months (except those meeting the definition of investment property) and lease liabilities have been included in non-current liabilities, or current liabilities where payments are due within 12 months of balance date.

(c) Goods and Services Tax

The Statement of Cash Flows shows cash flows on a gross basis.

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

(d) Income Tax

No provision for income tax has been raised as SFLF is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(e) Cash and cash equivalents

Cash and cash equivalents consist of cash on hand and cash held in bank accounts. Refer to the schedule in note 10 for all bank accounts held and their balances at the end of the reporting period.

(f) Trade and other receivables

Trade and other receivables are initially measured at fair value and subsequently measured at amortised cost using the effective interest rate method, less an allowance for impairment.

Collectability of trade receivables is reviewed on an ongoing basis and at balance date, with specific impairment losses recorded for any doubtful accounts.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

(g) Plant and equipment

Each class of plant and equipment is initially recognised at acquisition cost or manufacturing cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended. They are subsequently measured using the cost model, cost less accumulated depreciation and impairment losses. Plant and equipment is depreciated on a straight-line basis over the expected useful lives of the assets.

(h) Trade and other payables

Trade and other payables represent liabilities for goods and services provided to SFLF prior to the end of the financial year which remain unpaid. The amounts are recorded in the Statement of Financial Position as a current asset, and are paid within the agreed payment terms, usually within 30 days.

(i) Employee benefits

Wages and Salaries and Annual Leave

Liabilities for wages and salaries, including non-monetary benefits and annual leave are recognised in the provision for employee benefits in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

Long service leave

Liability for long service leave is recognised in the provision for employee benefits and is measured as the present value of the future payments to be made in respect of services provided by employees up to the reporting date.

Superannuation

Contributions are made by the entity to employee superannuation plans and are charged as an expense as they are incurred.

NOTE 2: ACCOUNTING ESTIMATES, JUDGEMENTS AND ASSUMPTIONS

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Estimates, judgements and assumptions are continually evaluated and are based on historical experience as adjusted for current market conditions and other factors such as the expectations of future events that are believed to be reasonable under the circumstances.

There are no estimates, judgements or assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022**

NOTE 3: REVENUE

SFLF's revenue may be analysed as follows for each major product and service category:

	2022	2021

Report on the Audit of the Financial Statements

Opinion

We have audited the financial report of SCHOOL FOR LIFE FOUNDATION AUSTRALIA LIMITED (the Company), which comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, (or gives a true and fair view of) the financial position of the Company as at 30 June 2022, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis of opinion

We conducted our audit in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001 and the Australian Charities and Not-for-Profits Commission Act 2012. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial report section of our report.

We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 June 2022, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up

to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

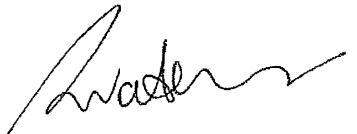

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
