School For Life Foundation Limited
Notes to Financial Statements
For the year ended 30 June 2012

1 Summary of significant accounting policies

School For Life Foundation Limited (“the Company”) is a company limited by guarantee, incorporated and domiciled in Australia.

The Financial Report as at and for the year ended 30 June 2012 was authorised for issue by the Directors on

(a) Statement of compliance

The Financial Report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (“AASBs”) – Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (“AASB”).

(b) New Accounting Standards

Certain new or amended Accounting Standards have been published that are not mandatory for this reporting period. Based on management’s assessment, the recently issued or amended Accounting Standards are not expected to have a significant impact on the amounts recognised or disclosures made in these Financial Reports when restated for the application of the new or amended Accounting Standards.

(c) Changes in Accounting Standards and Regulatory requirements

There are a number of new and amended Accounting Standards issued by the AASB which are applicable for reporting periods beginning on 1 July 2010. The Company has adopted all the mandatory new and amended Accounting Standards issued that are relevant to its operations and effective for the current reporting period.

There was no material impact on the Financial Report as a result of the mandatory new and amended Accounting Standards adopted.

(d) Early adoption of standards

The Company has elected to apply AASB 1053 “Application of Tiers of Australian Accounting Standards” (“AASB 1053”) and AASB 2010-2 “Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements” (“AASB 2010-2”) to the annual reporting period beginning 1 July 2010.

The adoption of AASB 1053 and AASB 2010-2 allowed the Company to remove a number of disclosures. There was no other impact on the current or prior year Financial Report.

(e) Basis of preparation

The Financial Report is presented in Australian dollars, which is the Company’s functional currency.

The Financial Report has been prepared on the basis of the historical cost conventions.

The preparation of Financial Statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. Refer to Note 2 for significant areas of estimation.

The accounting policies have been applied consistently throughout the Company for the purposes of this Financial Report.

The significant policies that have been adopted in the preparation of this Financial Report are set out below.

School For Life Foundation Limited
Notes to Financial Statements
For the year ended 30 June 2012

1 Summary of significant accounting policies (continued)

(f) Revenue recognition

Revenue is recognised at the fair value of the consideration received or receivable.

Revenue is recognised for the major activities as follows:

Donation, Fundraising event and Sponsorship income

Donations, Fundraising event and Sponsorship income collected, including cash and goods for resale, are recognised as revenue when the Company gains control, economic benefits are probable and the amount received can be measured reliably.

Interest income

Interest income is recognised in the Statement of Comprehensive Income as it accrues using the effective interest method and if not received at balance date, is reflected in the Balance Sheet as a receivable.

(g) Goods and services tax

The Company is not registered for Goods and Services Tax ("GST") purposes. As such, revenues, expenses and assets are recognised gross of the amount of GST as the amount of GST incurred is not recoverable from the Australian Taxation Office. Receivables and payables are stated with the amount of GST included.

Cash flows are included in the Cash Flow Statement on a gross basis.

(h) Income tax

No Income tax is payable as the Company is a charitable institution for the purposes of Australian taxation legislation. The Company has partnered with Rotary Australia World Community Service Limited which holds deductible gift recipient status.

(i) Cash and cash equivalents

Cash and cash equivalents comprise cash balances and at call deposits with financial institutions.

(j) Trade and other receivables

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less an allowance for impairment. Collectability of trade receivables is reviewed on an ongoing basis and at balance date, specific impairment losses are recorded for any doubtful accounts.

(k) Plant and equipment

Plant and equipment is stated at cost less accumulated depreciation and any accumulated impairment losses. Plant and equipment is recognised at fair value at the date the Company obtains control of the asset.

Plant and equipment is depreciated straight-line over the expected useful lives of the assets as follows:

Computer equipment 2 years

Derecognition of plant and equipment is on disposal when an item is no longer used in the operations of the Company or when it has no sale value. Any gain or loss arising on derecognition of the asset is included in the Statement of Comprehensive Income in the year the asset is derecognised.

(l) Impairment of assets

The carrying amounts of the Company's assets are reviewed at each balance date, to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

School For Life Foundation Limited

Notes to Financial Statements

For the year ended 30 June 2012

1 Summary of significant accounting policies (continued)

(l) Impairment of assets (continued)

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Comprehensive Income, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any losses that exceed the previous revaluation recognised through the Statement of Comprehensive Income.

Calculation of recoverable amount

Impairment of receivables is not recognised until objective evidence is available that a loss event has occurred. Receivables are individually assessed for impairment.

The recoverable amount of plant and equipment is the higher of fair value less costs to sell and value in use. Depreciated replacement cost is used to determine value in use.

Reversals of impairment

Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimate used to determine the recoverable amount.

(m) Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of the financial year that are unpaid. The carrying amount of Trade and other payables reflects fair value.

2 Accounting estimates and assumptions

Estimates and judgements are continually evaluated and are based on historical experience as adjusted for current market conditions and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

Independent Auditor's Report

We have audited the accompanying financial report of School For Life Foundation Limited which comprises the statement of comprehensive income, statement of financial position, cash flow statement and statement of changes in equity for the year ended 30 June 2012, notes comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and for such internal control as management determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair representation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

Qualification

As is common for organisations of this type, it is not practical for the company to maintain an effective system of internal control over donations and fund raising activities until their initial entry into the accounting records. Accordingly, our audit in relation to donations and fund raising was limited to the amounts recorded.

Other Matter:

We have not audited the 2010 financial reports, however, sufficient information was provided to form an opinion on the reasonableness of the comparative information provided.

Audit Opinion

In our opinion, except for the effects on the financial report of the matter referred to in the qualification paragraph, the financial report of School For Life Foundation Limited presents fairly, in all material respects the financial position of School For Life Foundation Limited as at 30 June 2012, and of its financial performance and cash flows for the year ended in accordance with Australian Accounting Standards, the *Corporations Act 2001* and the *Charitable Fundraising Act 1991*.
